The Newberry County Council shall fix by Resolution a tax millage rate sufficient to support the appropriations and levies herein made and shall advise the Auditor who shall set said millage as advised by the County Council, and the Auditor, pursuant to Section 4-15-150 of the S.C. Code of Laws, 1976, as amended, shall also set the millage rate necessary to raise the levy for debt service on bonded indebtedness. To the extent required by Section 6-1-320 of the S.C. Code of Laws, 1976, as amended, any millage rate set above that for the previous fiscal year, which shall be in excess of the increase of average of the twelve monthly consumer price indexes for the most recent twelve month period consisting of January through December of the preceding calendar year plus the percentage increase in the previous year in the population of the County as determined by the Office of Research and Statistics of the State Budget and Control Board, shall only be imposed by a two thirds vote of the membership of Newberry County Council and only for one or more of those five purposes specified in Section 6-1-320 (B) of the S.C. Code of Laws, 1976, as amended, to wit: (1) the deficiency of the preceding year; (2) any catastrophic event outside the control of the governing body such as a natural disaster, severe weather event, act of God, or act of terrorism, fire, war, or riot; (3) compliance with a court order or decree; (4) taxpayer closure due to circumstances outside the control of the governing body that decreases by ten percent or more the amount of revenue payable to the taxing jurisdiction in the preceding year; or (5) compliance with a regulation promulgated or statute enacted by the federal or state government after the ratification date of the amendments to Section 6-1-320 set forth in 2006 Act No. 388, Pt II, § 2.A., for which an appropriation or a method for obtaining an appropriation is not provided by the federal or state government. Any such tax imposed for such purpose must be listed on the tax statement as a separate surcharge, with an explanation of the reason for each separate surcharge.

**Reserve Fund Maintenance and Reserve Fund Levels**

In accordance with Code Section 6-1-320 (D) of the South Carolina Code of Laws 1976, as amended, Newberry County Council directs the County Auditor to levy a separate Reserve Fund Maintenance Millage for purposes of ensuring the County's ability to maintain sufficient financial reserves to meet unforeseen budgetary needs of the County, and to ensure the timely expenditure of budgeted appropriations. Such millage shall be levied subsequent to the adoption of this and all future annual operating budgets, together with any amendments thereto, with such levy producing the funding necessary, as specifically budgeted, to maintain the Reserve Fund. For any year(s) in which County Council does not specifically budget revenue needs for this purpose, the millage levy shall nonetheless be nominally printed on the tax bills as a "Reserve Fund" levy, expressing the need for no ad valorem taxation (0.00 mills) for this purpose. It is the policy of Newberry County that the unrestricted, undesignated fund balance shall not be less than four (4) month's operating cost, as calculated using the current year general operating budget.

**SECTION XII. TRANSFERRING OF FUNDS**

The County Administrator may, if he deems it in the best interest of the County, and within the appropriations provided by this ordinance, transfer funds or any portion thereof from any fund, department, activity, or purpose to another fund, department, activity, or purpose.
