

Planning Staff does recommend that this real estate parcel be rezoned to General Residential (RG).

**WHEREAS**, the Newberry County Joint Planning Commission, in case number MA 01-02-19-13, had this matter on its agenda and considered this request and received comments as to both the existing and intended uses of the property. The Planning Commission determined that it concurs with the recommendation of the Planning Staff. The Planning Commission has now forwarded its report on the rezoning request to Newberry County Council, as required by law, for consideration of its actions by Newberry County Council.

**WHEREAS**, Newberry County Council is familiar with the site and the existing uses of the properties along this portion of Louis Rich Road just outside the City of Newberry.

**NOW, THEREFORE**, Newberry County Council makes the following findings of fact and law as to the merits of the rezoning request concerning two abutting parcels (A and B) totaling six and six hundred and sixty-seven thousandths (6.667) acres that are a portion of TMS No. 584-1-1 containing twenty two and eight hundred and twenty-eight thousandths (22.828) acres located on Louis Rich Road about 500 feet south of the intersection of Airport Road abutting the City of Newberry as more particularly shown on the plat accompanying the submitted "Official Zoning Map Amendment Application" included in the submitted Planning Commission report attached hereto, to General Residential (RG) from Rural (R2):

A. That the proposed map amendment does promote the implementation of the Comprehensive Plan in the area.

B. This amendment is needed because the proposed development cannot be accomplished by the owner under the existing zoning district regulations.

C. That traffic patterns in the neighborhood will not be adversely affected by the change in zoning.

**NOW, THEREFORE, BE IT ORDAINED that:**

Newberry County Council hereby determines, based on the findings set forth above, that the attached rezoning request for a map amendment for two abutting parcels (A and B) totaling six and six hundred and sixty-seven thousandths (6.667) acres both being a portion of TMS No. 584-1-1 comprising a twenty two and eight hundred and twenty-eight thousandths (22.828) acres real estate parcel as acted on by the Planning Commission, be:
