RESOLUTION #14-16

A Resolution Adopting the All Natural Hazards Risk Assessment and Mitigation Plan Update for the Central Midlands Region of South Carolina

Whereas, Newberry County recognizes the threat that natural hazards pose to people and property; and

Whereas, undertaking hazard mitigation actions before disasters occur will reduce the potential for harm to people and property and save taxpayer dollars; and

Whereas, an adopted all hazards mitigation plan is required as a condition of future grant funding of mitigation projects; and

Whereas, Newberry County participated jointly in the planning process with the other units of government in the Central Midlands region of South Carolina to prepare an all hazards mitigation plan;

Whereas, Newberry County is aware that revision and updating of the plan is critical for active and effective hazard mitigation and that Newberry County will monitor and record hazard related data and events that can be used to update the all-natural hazards mitigation plan;

Now, therefore, be it resolved, that the Newberry County, hereby adopts the update to the All Natural Hazards Risk Assessment and Mitigation Plan for the Central Midlands Region in its entirety as an official plan and will undertake annual recording of hazard events, their impact duration and cost.

Be it further resolved, that the Central Midlands Council of Governments, accepting the All Natural Hazards Risk Assessment and Mitigation Plan from the Central Midlands Regional Risk Assessment and Hazard Mitigation Committee, will submit on behalf of the participating counties and municipalities the adopted All Natural Hazards Plan to the Federal Emergency Management Agency officials for final review and approval.
