

New Business

- Water Rescue
 - The Board discussed mutual aid dispatch of the water rescue assets and issues with unification of command.
- Mutual Aid
 - The Board was in agreement that mutual aid requests should be for capability rather than individual assets. Mr Wicker is reviewing the current agreement and will distribute the same to members to review.
- NEMSIS Update
 - Mr. Johnson provided an update on the transition to the new PRC data requirements. Waiting on the publication of the final data set to proceed.

Discussion from Members

Station 13:

- Requested update on the status of a county-wide accountability system.
 - System is in development. Information is not fully collected.

Station 14:
