RE: Newberry County Capital Sales Tax Project No. 6 Nine Water Point Locations for the Consolidated Fire District

Dear Mr. Long,

HDR Engineering has reviewed the seven (7) bids submitted for the Newberry County Capital Sales Tax Project No. 6 – Nine Water Point Locations for the Consolidated Fire District project for irregularities, proper documentation, and general conformance with the requirements of the bid solicitation.

The three (3) lowest bids were as follows:

| | |
|-------------------------------------|----------------|
| McClam & Associates, Inc. | \$1,335,032.00 |
| Momentum Construction Services, LLC | \$1,443,590.00 |
| Lindler's Construction of SC, LLC | \$1,514,742.92 |

Please see the enclosed final bid tabulation for complete bid results. There were two minor discrepancies in the total bids, however these discrepancies do not affect the results or order of the bid.

McClam & Associates, Inc. holds an active license with the South Carolina Department of Labor, Licensing, and Regulation to perform water line and water plant work in South Carolina. Furthermore, HDR engineers have past experience working with McClam & Associates, Inc. on various projects in the Midlands. Based on low bid, contractor qualifications, past experience, and completeness of the bid package, HDR recommends the project be awarded to McClam & Associates, Inc. Please contact me with any questions. If the County concurs with our recommendation, HDR will proceed with the Notice of Intent to Award letter. Please let us know how the County wishes to proceed.

Respectfully Submitted,
HDR

Thomas Miller, P.E.
Project Engineer

Newberry County Capital Sales Tax Project No. 6 - Nine Water Point Locations for Consolidated Fire District.
 Bid No.: 2019-13
