ADDENDUM ONE
Invitation for Bids No.: 2023-9
Road Repairs: Edgewater Shores Neighborhood

The following shall be incorporated as part of the solicitation.

This solicitation does not include the paving of driveway aprons. The final lift of roadway pavement will be finished at the same level as each existing driveway apron. Areas of full depth patching shall be completed in two equal lifts with a tack coat applied between lifts. Each patch area must be completed at the end of each day so there is a maximum drop off of 2" from the main paving course.
