**ADDENDUM ONE
Invitation for Bids No.: 2025-10
Firefighter Physicals**

The following shall become part of the original solicitation:

1. Who is the current provider? **North Greenville Fitness**
2. Is the current provider providing the same services as the scope of work? **Yes**
3. We would like a copy of the current provider's contract with pricing. **This will require a formal FOIA request.**
4. Are you satisfied with the current provider? **Yes**
5. Will you accept an Advanced Practice Registered Nurse to review abnormal results with patients? **We require a physician at each site.**
6. How many physicals per location do you anticipate? **Approximately 25**
7. Is it acceptable to perform a submaximal treadmill test to estimate VO₂ max without 12-lead EKG and blood pressure monitoring, as a substitute for the submaximal ergometer graded exercise stress test that includes the monitoring? **We would require the EKG to be performed as well.**
8. Are treadmills available at each station where exams will be performed? **No equipment is provided at the stations.**
9. Can advanced practice providers perform the examinations? **We require a doctor on site.**
10. Which heavy metals need to be included in optional heavy metals blood test? **Testing for metals such as lead, arsenic, mercury and cadmium.**
11. Would it be acceptable to perform the Chester Step test if a treadmill is not available? **No.**
